## TO LIMIT DEBATE.

Mr. Coody offered the following resolution:

Resolved, That no member speak over ten minutes on any one subject. And, further, that good order be maintained at any cost while a member is speaking.

The resolution was read second time and was referred by the Speaker to the Committee on Rules.

## RELATING TO LOBBYING IN THE HOUSE.

Mr. Raymer offered the following resolution:

Whereas, There seems at the present time to be considerable adverse criticism of the House of Representatives regarding Senate bill No. 252, commonly known as the Amnesty bill. This criticism is confined, not to either the opponents nor the proponents of the bill. The House of Representatives should take every possible precaution to eliminate the possibility or justness of any criticism of this nature.

At several times the Speaker has announced from the Speaker's stand that lobbying on the floor of the House of any nature whatsoever was in violation of the rules of this House and that those who persisted on coming upon the floor and speaking and lobbying on any measure during the time which the House is in session, could expect to be asked

to leave the floor. Lobbyists on this measure, in spite of the Speaker's announcements, have persisted and still persist in violating the rules of this House as mentioned above. In order to preserve the dignity of this House and command respect from persons seeking to influence legislation, definite and concrete action is the only method left at the present time; and

Whereas, Judge Harvey of Houston, who is a widely-known and acknowledged proponent of the Senate bill No. 252, is almost continuously on the floor of the House and having made an address before the committee of the House considering the said Senate bill, it is only logical to assume that his mission here is purely for the purpose of influencing members' votes; and

Whereas, The writer of this resolution on yesterday overheard a man by the name of Soule, who is also of Houston, approach Judge Harvey and in a very boastful manner pass the remark which in substance was: "Well, we at least hold seventy-five votes." The assumption is that reference was being made to the vote taking regarding the placing of Senate bill No. 252 as special order for Wednesday, March 4, at 2 o'clock p. m. If this be the case, it appears to be a very presumptuous remark and especially with reference to the word "we." To whom this word "we" refers is particularly striking, as neither of the gentlemen whom the conversation was passing are members of the Thirty-ninth Legislature. From this conversation and conditions surrounding it, it would appear that lobbying on the Senate bill regarding amnesty is the prime object of both of these gentlemen who are enjoying and violating the privileges and the courtesies of this House; and

Whereas, That a continuation of this reproachful action may be definitely and unquestionably discontinued; therefore, be it

Resolved by the House of Representatives of the Thirty-ninth Legislature, That the Speaker of this House refuse to grant to Judge Harvey and Mr. Soule, and others who are suspected of lobbying on this measure, the privileges of the floor and that if either at the present time be upon the floor of this House that they be asked to immediately depart.

The resolution was read second time.

Mr. Petsch moved to table the resolution

Yeas and nays were demanded, and the motion to table was lost by the following vote:

#### SENATE BILL NO. 72 ON SECOND READING.

The Speaker laid before the House, on its second reading and passage to third reading,

S. B. No. 72, A bill to be entitled "An Act to amend Section 1 and Section 5 of Chapter 16, Acts of the Regular Session of the Thirty-fifth Legislature as amended by Chapter 58, Acts of the Regular Session of the Thirty-fifth Legislature, constituting the judges of the district courts and county judges of counties of certain population a juvenile board of such county and prescribing the powers and duties of such board, including officers and providing for the payment of compensation for such officers and allowing the said district judges an additional salary to be paid out of the general fund of such county; providing for the fixing of such additional salary by the commissioners court of such counties, and declaring an emergency."

The bill was read second time.

Mr. Rawlins offered the following (committee) amendment to the bill:

Amend Senate bill No. 72 by striking out all below the enacting clause and inserting in lieu thereof, the following:

Section 1. That Section 1, Section 2 and Section 5 of Chapter 16, Acts of the Regular Session of the Thirty-fifth Legislature as amended by Chapter 58, Acts of the Regular Session of the Thirty-fifth Legislature be amended and the same is hereby amended so as to hereafter read as follows:

Sec. 2. In any county of this State having a population of fifty thousand or over, or containing a city having a population of thirty thousand or over according to the United State census of 1920, and having two or more district courts, the judges of the several district courts of said county together with the county judge of such county are hereby constituted a juvenile board for such county.

Sec. 3. Said board shall have authority to appoint one or more discreet persons of good moral character to serve as probation officers during the pleasure of said board. Such officers shall be

paid such salary per month as said board may recommend and the commissioners court of such county may authorize, not to exceed \$225 per month, for chief probation officer; \$200 per month for the first assistant probation officer, and \$150 per month for each additional assistant probation officer. Such probation officer shall have authority, and it shall be their duty, to make investigation of all cases referred to them as such by such board, to be present in court, and to represent the interests of the child when the case is heard, and to furnish to the court and such board such information and assistance as such board may require, and to take charge of any child before and after the trial, and to perform such other services for the child as may be required by the court or said board.

Sec. 4. Such board shall hold regular or special meetings in accordance with the rules which it may prescribe, and at intervals of not less than once in every three months, and shall keep such records as it desires, and shall hear and consider such facts as may be brought to its attention, under such rules as it may prescribe, concerning the welfare of any child in such county or under the jurisdiction of any of its courts, and in the event such child has been adjudged to be dependent, neglected or delinquent, by any of the courts of such county, it may make to the court or person having custody of such child, or if such child has been adjudged guilty of any crime, then to the Board of Pardons and Governor, such recommendation in writing as it may think proper concerning the care and custody of such child.

Sec. 5. Such board shall neither have nor exercise judicial power nor function; but in the event such board desires to make inquiry as to whether any child should be adjudged either dependent, neglected or delinquent, it shall have power to direct one of the probation officers of said board to file complaint against such child in some one of the courts of such county having jurisdiction to hear and determine such complaint, and such board or the members thereof may be present at such hearing, either in person or by one or more of its probation officers, and make such inquiry concerning such child as may be proper under the established rules of procedure in such court.

Sec. 6. From and after the passage of this act, the salary of each of the judges of the district courts of such county shall be not less than \$750 and not more than \$1500 in addition to that paid the other district judges of the

State, said additional salary to be paid monthly out of the general funds of such county upon order of the commissioners court, the amount of such additional salary to be fixed by the commissioners court at any amount not less than \$750 nor more than \$1500 hereinbefore provided.

Sec. 7. The fact that in many counties in this State a juvenile board such as provided for is greatly needed, and the work of the various juvenile courts is greatly increased, and no adequate system is provided for this highly important work creates an emergency and an imperative public necessity requiring that the constitutional rule that bills be read on three several days be suspended and the same is hereby suspended and this law shall be in effect from and after its passage, and it is so enacted.

Mr. Wallace offered the following amendment to the (committee) amendment:

Amend committee amendment to Senate bill No. 72, Section 2, line 40, page 3, after the words "State" by inserting the following: "having as many as fifty producing wells or."

Mr. Barker offered the following amendment to the bill:
